Stations of the Cross

Catholic Cemeteries of Long Island has a long tradition of hosting Stations of the Cross prayer services during Lent. During these services, Catholic faithful from across Long Island gather to pray together and commemorate our Lord's death.

On March 7, 2025, Catholic Cemeteries of Long Island marked the opening of the 2025 Lenten season with a Stations of the Cross prayer service in the Chapel at Queen of Peace Cemetery. During the service, volunteers alternated carrying a cross to each of the fourteen Stations of the Cross plaques throughout the Chapel, with Deacon Christopher Quinn leading the congregation in prayer. At the conclusion of the service, Catholic Cemeteries of Long Island's President & CEO Richard Bie and CFO John Kennedy delivered a presentation highlighting the unique features of the Chapel, including its

construction and the thoughtful integration of repurposed liturgical items and artwork from various Catholic churches, convents, and other downsized or retired Catholic institutions from across the New York Metro area.

On April 18, 2025, several hundred members of the Catholic community participated in Stations of the Cross at Cemetery of the Holy Rood, continuing our decades-long tradition of hosting the prayer service each Good Friday. Deacon Christopher Quinn and Deacon Chris Daniello led the faithful on a 1.5 mile walking route through Holy Rood to commemorate Christ's redemptive sacrifice. During the journey through the cemetery, the group stopped at fourteen crosses depicting each of the Stations to pray and reflect. The service concluded with Veneration of the Cross in Holy Rood Chapel.

- Catholic Cemeteries of Long Island is only offering an **artificial** grave plant option at **Holy Sepulchre Cemetery** for Mother's Day & Father's Day due to the cemetery's large deer population. This option is available at Holy Sepulchre [only](#).

Grave Services Offered

MONUMENT CLEANING SERVICES

A clean monument enhances the natural qualities of the granite and adds to the overall beauty of a well-kept cemetery. Our staff is knowledgeable on the cleaning products necessary to remove different types of stains.

Pricing for this service is determined by monument size. Please note that monument cleaning services are only available during the months of **May through October**. To request cleaning service on your monument, please contact the cemetery office or complete the [Maintenance Request Form](#) on our website.

SHRUB AND BUSH MAINTENANCE

A well-maintained, balanced shrub or bush enhances the natural qualities of the plant, adds to the overall beauty of the family plot and compliments the monument. With regular maintenance throughout the growing season, early detection of growth-related problems is possible. A treated bush can be saved when early detection occurs.

Bushes that are not cared for often obstruct monuments and neighboring plots.

Pricing starts at **\$60** per shrub/bush trimmed or removed. To request service, please contact the cemetery office or complete the [Maintenance Request Form](#) on our website.

Memorial Day Masses

Catholic Cemeteries of Long Island welcomes all families to join us on Memorial Day as we pray and remember the faithful departed, honoring those who gave their lives for our freedoms. Saturday Masses

Catholic Cemeteries of Long Island celebrates Masses on select Saturdays each month at **Cemetery of the Holy Rood, Queen of Peace Cemetery, Holy Sepulchre Cemetery, and Queen of All Saints Cemetery**. Each Mass is celebrated in remembrance of those laid to rest in our cemeteries during the previous month or during the one year anniversary month.

Masses are open to all who would like to attend and pray with us. Please visit CCLongIsland.org to view the current Mass schedule at each of our cemeteries.

Crypt & Niche Programs

Catholic Cemeteries offers several memorialization programs for families with loved ones entombed or inurned in our community mausoleums.

PORTRAITS

Your photograph or digital image can be turned into a protected memorial to capture the memory of your loved one for generations to come. This stainless steel portrait will be installed on the crypt or niche front. For glass front niches, the portrait is placed within the niche.

BRONZE EMBLEMS

Catholic Cemeteries of Long Island offers a wide range of **bronze emblems** that may be purchased for placement on a crypt or niche front. Options include religious emblems, professional symbols, and scrolls. [Click here](#) to review the catalog of available emblems.

FLORAL VASE PROGRAM

When subscribing to the **floral vase program**, the cemetery will supply and install a vase on a crypt or niche front with an artificial floral arrangement. New seasonal arrangements will be installed every 3 months for those subscribed to the program. We offer multi-year options **up to five years** for families wishing to ensure long-term remembrances. Cremation Options at Catholic Cemeteries of Long Island

Are you considering cremation? Do you have the cremated remains of your loved one in your home? Consider a final resting place that reflects the Catholic beliefs and values from life's personal journey.

The Catholic Church teaches that cremated remains must be given the same respect as the body, including the manner in which they are carried, and the attention given to their appropriate transport and placement. The following are not considered to be reverent dispositions that the Church requires: scattering cremated remains, dividing cremated remains and keeping cremated remains in the home. The cremated remains of a body are to be **buried or entombed, preferably in a Catholic cemetery**, using the rites provided by the Order of Christian Funerals.

In addition to the Church's teaching, there are many benefits to choosing a permanent burial site:

- Provides a special and appropriate place for families and friends to visit and remember their loved one.
- Memorialization at the cemetery provides a permanent record of your loved one's life.
- Cemeteries will always be there, open to visitations by all for generations to come.

Catholic Cemeteries of Long Island offers families a variety of burial options to best meet your family's needs:

Cremation Niches in Community Mausoleums

- Niches can accommodate up to two urns, with availability in indoor and garden settings.
- **Glass front niches** available at **Holy Rood** and **Holy Sepulchre**; stone front niches available at **all sites**.

Cremation Niches in Outdoor Columbaria

- Niches in our new outdoor "Garden of Angels" areas at **Holy Rood**, **Holy Sepulchre** & **Queen of All Saints**.
- Granite front niches accommodate up to two urns.

Traditional Burial Plots

- Single graves can accommodate three urns and up to three caskets in the same plot.
- This option allows families to be buried together when not all family members wish to be cremated.

Cremation Graves

- Accommodate six urns in a plot, with upright monuments for memorialization.
- Graves available at **Holy Rood**, **Holy Sepulchre** & **Queen of All Saints**.

Please visit CCLongIsland.org or contact the cemetery office for more information on cremation and available options for your family.

Cemetery Cleanups

The cemetery's rules and regulations play an important part in the beautification and preservation of the sacred resting place of the faithful departed. They are intended not as restraining, but rather as defining an orderly plan of operation, care, and permanent maintenance.

Thank you for entrusting Catholic Cemeteries of Long Island with the care of your loved ones. Please click the links below to review additional details on the cemetery's rules and regulations. We appreciate your understanding and cooperation in following these guidelines. Should you have any questions, please contact the cemetery office.

Cemetery Irrigation

Catholic Cemeteries of Long Island maintains irrigation systems for our burial lawn grounds at our cemeteries which ensure a healthy lawn throughout most seasons of the year. Our irrigation systems utilize on-site wells that account for 99% of the water used. This promotes growth and beautiful lawns at our cemeteries, since no chlorine or chemicals are added to the well water. Backflow devices at each cemetery prevent fertilizer and chemicals from seeping into the main pipe and water supply. These devices undergo yearly tests by licensed inspectors.

Below are answers to some questions frequently asked by cemetery visitors, particularly during the summer months. It is important to note that irrigation is **not** part of Permanent Maintenance, but rather an added benefit at the discretion of management to enhance the appearance of our cemeteries.

FREQUENTLY ASKED QUESTIONS

Why are my plants dry in front of the monument?

Sprinkler heads are designed to place the maximum water in the lawn areas of the cemetery. They are not intended to water the area in front of the family monument at the gravesite. Any planting done within the allowable space in front of the monument needs to be maintained (watered and cared for) by the family.

Why is the grass brown in some areas?

Brown grass is not dead, merely dormant. Excessive sun, shade, fertilization, heat, and rain all contribute to lawn appearance. Brown grass is often due to summer heat followed by periods of deficit natural rain fall. The sprinkler systems are designed to establish new grass growth and maintain lawn appearance during normal weather, not to replace nature's watering.

Why was the lawn sprinkler on during the day at my last gravesite visit?

Lawn sprinklers are tested weekly during irrigation season. The staff isolates a particular zone or zones and tests system components. Frequent inspections are necessary for many reasons.

Celebrating 40 Years with Catholic Cemeteries of Long Island

On Wednesday, March 26th, Catholic Cemeteries of Long Island hosted an employee appreciation lunch at Holy Sepulchre Cemetery in Coram for the field and office employees of Holy Sepulchre and Queen of All Saints. After lunch, Catholic Cemeteries of Long Island's President & CEO Richard Bie and CFO John Kennedy addressed the staff to thank them for their hard work and dedication. Rich and John then recognized two employees who were celebrating **40 years of service** with Catholic Cemeteries of Long Island: **Ron Gregory**, Field Operations Supervisor at Holy Sepulchre, and **Bob Duplessis**, Field Operations Supervisor at Queen of All Saints. Rich and John thanked Ron and Bob for their hard work, loyalty, and countless contributions to the organization during their tenures. Each employee was presented with a certificate to honor their achievements.

Congratulations and Thank You Ron and Bob!

A Gift from the Leitgeb Family

If you visited Holy Sepulchre Cemetery recently, you may have noticed a new addition to our main office. Several months ago, the cemetery received a request from the daughters of Florence and Edward Leitgeb. Many years ago, their parents had handcrafted a beautiful cathedral clock. With several generations of the Leitgeb family buried at Holy Sepulchre, Florence wished to donate the clock to the cemetery in order to share this spectacular piece with the public. Catholic Cemeteries of Long Island graciously accepted this donation, which is prominently displayed in the lobby with the following plaque:

Thank you to the Leitgeb family for this generous donation!

Fall/Winter 2025

Annual Christmas Ornament Masses

Each December, Catholic Cemeteries of Long Island welcomes all families to attend our traditional Christmas Ornament Masses. During the course of these special Masses, family members are invited to bring an ornament to be placed on one of the trees in the Chapel.

A record number of families attended this year's services on December 6th, with 700 people joining us for our Ornament Masses at one of our four sites—Holy Rood, Queen of Peace, Holy Sepulchre, and Queen of All Saints .

Families that were unable to attend one of the Masses are welcome to place an ornament on our Chapel trees when visiting our cemeteries. As our Chapels are public places, we recommend an ornament that can be easily replaced, if necessary. Ornaments will remain on the trees throughout the Christmas season. Families wishing to retrieve their ornaments should pick them up from the cemetery **by Wednesday, January 7th** as the trees will be removed from the Chapels on January 8th.

St. Michael the Archangel Columbaria—New Niches Available at Holy Rood!

Catholic Cemeteries of Long Island is pleased to announce that we have completed Phase 2 development within **St. Michael the Archangel Cremation Garden** at **Cemetery of the Holy Rood**. Two new columbaria have been installed, adding 200 niches to our popular outdoor cremation area which are **NOW AVAILABLE** for families to consider. These niches can accommodate either one or two urns (depending on urn size), with memorialization options including sandblasted inscription, bronze emblems, and stainless steel portraits.

Statues Installed at Queen of Peace Cemetery

Last month, two bronze statues were installed at **Queen of Peace Cemetery**. Located in front of the mausoleums next to the Chapel, the statues of **St. Pope John Paul II** and **St. Mother Teresa of Calcutta** now greet visitors as they drive into the cemetery.

The base of each statue features a limited number of cremation niches, which will be available for purchase in **early 2026**. Please reach out to the cemetery office for additional details.

January Cemetery Cleanups

On **Thursday, January 8, 2026**, cemetery staff will remove the Christmas trees from our cemetery chapels. At that time, cemetery staff will also **remove and discard all decorations from chapels and mausoleum buildings**, including any items (Christmas trees, rocks, statues, etc) that have been placed on floral tables or affixed to crypt or niche fronts. Families are requested to remove any items from these areas **by Wednesday, January 7**.

Cemetery staff will be completing a **full cleanup** of our cemeteries beginning **Thursday, January 15, 2026**. In addition to removing all Christmas decorations, cemetery staff will **remove and discard all items** from gravesites that are not permitted per the cemetery's rules and regulations. **As a reminder, the only items permitted year-round on graves are flowers and flags; all other items will be removed.**

Due to the volume of items being removed during the cleanup, **it is not possible to make arrangements to have families claim items once they have been removed.** Families are requested to remove any items that they wish to save **by Wednesday, January 14**. We ask that families refrain from placing any prohibited items back on graves after the cleanup is completed.

Decoration Guidelines FAQ

Generally, what items are permitted on graves?

The following items are typically permitted on graves:

- Annual flowers planted in a semi-circle of 18" in front of monument (not permitted for flat marker sections)
- Fresh flowers in a permitted vase or bouquet holder.
- Artificial flowers placed in an approved container in winter months (November 1 until one week after Easter).

Note: Artificial flowers are **permitted year-round at Holy Sepulchre** due to the cemetery's deer population.

- Flags which must not exceed **12" x 16"**. Up to 2 flags are permitted, but **one must be an American flag**.
- Potted plants and seasonal decorations per the holiday schedule published by cemetery

What items are never permitted on graves?

Any item not listed in the previous section is **not permitted** for placement, **including but not limited to:**

Statues	Stones/Rocks/Pebbles
Shells/Marble Chips	Borders/edging
Mulch	Perennials
Glass jars/vases	Balloons
Plaques/markers	Vigil lights (flame or solar)
Wooden crosses	Rosary beads
Pinwheels	Banners
Bottles	Toys
Pictures	Bric-a-brac

Why can't I place rocks on top of monuments/markers?

Rocks, stones, coins, statues, or other placed items can become dangerous projectiles that get caught up in lawn mowers and line trimmers; they can seriously injure visitors or cemetery workers and damage monuments or car windows. Placed items can also cause permanent damage and discoloration to the monument, releasing elements that penetrate below the surface of the granite and become bleached by the sun. For these reasons, **no items are permitted on top of monuments at any time.**

Can I plant a bush/shrub on my plot either in front of or next to my monument?

Bushes or shrubs are only permitted on plots having **three graves or more**. They must be planted on the **side** of the monument, cannot extend more than 14" in front of or behind the monument, must not encroach on other plots, and must adhere to height restrictions listed in our rules. Bushes and shrubs are **never permitted** on single graves, double graves, or in any flat marker section.

Decoration FAQ Continued on Next Page

Planting & Decoration Guidelines FAQ (Continued)

Decorations were removed during a recent cleanup. Can I retrieve them?

Cemetery staff removes and discards any items that are not permitted per the cemetery's rules and regulations. Due to the volume of items being removed during cleanups, it is not possible to make arrangements to have families claim items once they have been removed. Because of this, we kindly ask that families refrain from placing any prohibited items, particularly items of value or importance, on gravesites.

Decorations were removed from my grave, but I see the same types of items on another grave. Why did you only remove my items?

While our cemetery staff makes every effort to enforce our rules and regulations uniformly, it is possible that certain violations were missed during a cleanup. In other instances, items may have been placed by families after our staff completed the cleanup of that section.

When are violations removed from graves?

The cemetery completes scheduled cleanups after holidays throughout the year ([Seasonal Planting & Decoration Schedule](#)). During cleanups, the staff removes holiday-specific decorations, and if time permits, they will also remove any violations. However, it is important to note the following:

- If an item is not removed during a cleanup, this does **not** mean that item is acceptable. The staff may have been focused solely on holiday decorations during the cleanup due to other field priorities at the time.
- **Separate from the cleanup schedule, violations may be removed at any time without notice**, especially if items are a safety hazard or they interfere with cemetery work.

I placed flowers and flags which are permitted, yet they were removed. Why?

Because the cemeteries are open to the public, with thousands of visitors each year, we cannot guarantee plants and decorations from damage, theft, or disappearance. In addition to potential theft, items are often displaced due to the weather or wildlife. The cemetery reserves the right to remove and dispose of any decoration or planting when deemed as unsightly, in poor condition, or out of season.

No placed item, whether floral or otherwise, is considered permanent to the site. The cemetery may remove items at any time **without notice or compensation**. The cemetery is not responsible for any damaged or missing items.

MAUSOLEUM DECORATION GUIDELINES

Community mausoleums require acts of sharing of common areas. With this in mind, the cemetery must restrict decorations to **designated floral tables only**. Below are important guidelines on what is permitted for crypt and niche locations.

Floral Tables

- Fresh flowers may be placed in the bouquet holders within the floral tables.
- Artificial bouquets may be placed from November 1 until one week after Easter (artificial flowers are permitted year-round at Holy Sepulchre).
- Tables are designated for placement of **flowers only**. **No other items** should be placed on these tables, **including but not limited to** cards, balloons, statues, pictures, Christmas trees, nativities, or other holiday decorations.
- The cemetery will **remove and discard** any objects that violate these regulations. Additionally, arrangements will be removed when they become unsightly or out of season.

General Guidelines

- The cemetery offers memorialization programs for our mausoleums, including bronze emblems, floral vase, memorial photos, and holiday decorations. Visit CCLongIsland.org for details.
- **No other decorations are permitted** in mausoleum buildings **at any time**:
 - ◆ Items are **not permitted** to be placed in front of crypts or niches.
 - ◆ Items are **not permitted** to be affixed to crypt or niche covers, as damage could occur.
- Any violations will be **removed and discarded without notice**. Crypt holder will be responsible for cleaning and repair charges for any damage due to affixing items to crypt or niche covers.

We appreciate your understanding and cooperation in following the cemetery's rules and regulations.

Cemetery Employee Milestones

This October, Catholic Cemeteries of Long Island hosted celebratory lunches at Queen of Peace Cemetery and Cemetery of the Holy Rood to recognize several employees for their dedicated years of service:

Russell Webb, Payroll Manager: **45** Years of Service

Jose Buruca, Field Worker at Holy Rood: **25** Years of Service

Michael Toscano, Field Worker at Holy Rood: **25** Years of Service

During the lunches, President/CEO Richard Bie and CFO John Kennedy thanked Russell, Jose and Michael for their numerous contributions and presented each employee with a certificate to mark their milestone anniversaries.

CFO John Kennedy, Russell Webb, & President/CEO Richard Bie

Congratulations and Thank You to Russell, Jose, and Michael for your dedicated service to our cemeteries!

Christopher Comando, Superintendent of Holy Sepulchre/Queen of All Saints and Marketing Manager for Catholic Cemeteries of Long Island, earned the designation of Certified Catholic Cemetery Executive (CCCE) after completing the certification program of the national Catholic Cemetery Conference. Chris received a plaque this September at the annual Catholic Cemetery Conference Convention in recognition of this achievement.

Richard Bie, CCC President Mary Jo Frick, Chris Comando, and John Kennedy

Congratulations Chris on earning this certification!

We provide a career path where you can use your talents and skills to benefit others in their time of need and thereafter. Benefits include but are not limited to health/medical, dental, paid time off, life insurance, and 403(b) retirement plan with employer matching contribution.

With four locations across Long Island, opportunity exists in several areas at any given time, including: **Cemetery Field Staff, Customer Sales & Service, Finance, and Management.** Visit CCLongIsland.org/career-opportunities or scan the QR code on the right to review current openings.

Helping Families in Need

Catholic Cemeteries of Long Island partnered with **St. Vincent de Paul Long Island** for their warm clothing drive. Donation boxes were placed in the lobbies of our offices at Holy Rood, Queen of Peace, Queen of All Saints and Holy Sepulchre. Families were invited to drop off new or gently used coats, hats, scarves, gloves and other warm clothing for men, women and children.

Thanks to the generosity of our families and cemetery employees, each of the four donation bins was filled to the brim! Thank you to everyone who donated for helping keep our community warm this winter.

God's Creatures at Queen of Peace Cemetery

Please meet two of our avian residents at Queen of Peace Cemetery in Old Westbury.

To the left is **Carol**, a cormorant who frequents the pond to the north of our Administration building. On the right, say hello to **Sir Cesar**, a red-bellied woodpecker who has taken a liking to the cemetery's trees.

Thank you to **Barbara Zareba** of our accounting department for the nature photos!
