

Bush & Shrub Sizes Permitted by Plot Type

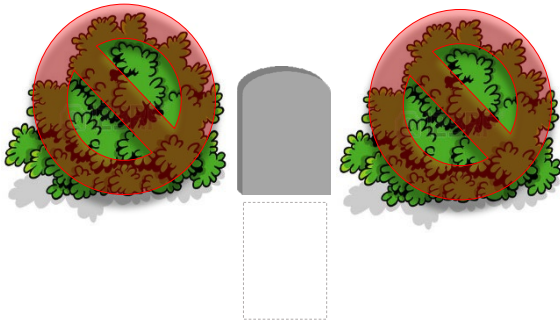

Catholic Cemeteries of Long Island

- Bushes or shrubs are **NOT** permitted on single graves, double graves, or any flat marker section.
- Rose bushes, vines, climbers, hedging, and perennials are **NOT** permitted on any gravesite.
- Where permitted, shrubs and bushes may only be planted on **each side** of the monument. Shrubs and bushes are **NOT** to extend in front or behind the memorial in excess of 14" nor to encroach upon any other plot.
- Before planting any shrubs, the Cemetery office should be consulted to ensure your planting will conform to the type/size of shrub permitted.

Note: Catholic Cemeteries offers services to trim or remove your bushes/shrubs. Contact our office for details and pricing.
